

LAKE COUNTY HIGH SCHOOL ATHLETES TO ENTER CONTEST

Hammond, Gary, Crown Point and Whiting high school athletes will be pitted against 101 schools in Stagg's interscholastic meet to be held on Marshall field at Chicago next Saturday afternoon. According to the entry lists the athletes will represent seventeen states of the union, with Minnesota on the north, California on the west, Texas on the south and Pennsylvania on the east. The large number of entries sets a new record for the meet, and Stagg's interscholastic is considered one of the most representative in the United States.

Four Lake county schools will send their star athletes to compete against the best high school squads in the country next Saturday, and it is a feasible guess that a part of the honors may fall to this vicinity. This hope is gathered from the fact that the Lake county athletes have made good in the northern Indiana, Lake county and state meets this year and with better conditions and a faster track next Saturday the various athletes are expecting some victories.

county track and field meet at Crown Point and won second honors in the northern Indiana meet at South Bend, will send Mette, Hirsch and Smith as their representatives. Crown Point will watch their star long-distance runner, John Allman, in the mile and half mile and if he shows up Saturday like he has in the previous meets he will undoubtedly be among the finishers. From Gary Paul Hake will try for individual honors, while Vater will endeavor to star for Whiting. A large number of students are expected to attend from this region.

you know that I am out after the white championship, and I think I have as much right to it as anybody else. My record will show this. Among the hopes I have heard are Tommy Burns, Bill Squires, Jack Palmer, Mike Schreck, Marvin Hart, Porky Flynn, Jim Stewart, Al Benedict, Fireman Flynn, George Cotton, Soldier Kearns, Jeff Clark and Tony Ross. I beat Gunboat Smith here in Buffalo, and I fought Joe Jeannette a hard ten-round battle. This is surely enough to entitle me to a crack at the best of them, and I would like to start with George Rodel, the fighting Boer."

ENGLISH DERBY DECIDED TODAY

London, June 4.—Knight's Key, a horse recently purchased by Richard Croker from F. H. Wise, and the only American horse remaining on the entry list for today's Derby, was scratched yesterday afternoon. In consequence no American-owned horse will face the favorite in the blue-ribbon event of the English turf this year.

August Belmont's nominee, Vulcan VI, which was among the favorites earlier in the year, has not arrived from France, while Herman B. Duray, H. P. Whitney and John E. Madden have scratched all their entries. American jockeys, on the other hand, stand a good chance of being in front at the finish of today's great race. Johnny Reiff has the mount on C. Bower Isamay's Craganour, which maintains first place in the betting at 5 to 2 against, while Milton Henry is to ride the French horse, A. Aumont's Nimbus, which for a time threatened to displace Craganour as a favorite.

Danny Maher, too, has a good mount in Lord Roseberry's Prue, the only filly left in the race. F. O'Neill was to have ridden the French horse, W. Raphael's Louvels, another possible winner, but at the last moment Saxby was given the mount, as the colt performs better when he is in the saddle. W. H. Martin also lost his mount through the scratching of saddle Rock. It now looks as though there would be eighteen starters, headed by King George's Amner, which stands little chance of winning.

UHLAN SETS NEW MARK FOR SEASON

Cleveland, O., June 4.—The season's trotting and pacing records for the North Randall track were lowered yesterday in the training of the Grand circuit horses now quartered at 415 track. C. K. G. Billings' Uhlán, the champion trotter, worked a mile in 2:07.4, the fastest he has been this year. Enow, a Canadian pacer, owned by J. C. Ward, paced a mile in 2:10 easily.

DIRT THROWING COSTLY STUNT

Washington, D. C., June 4.—Manager Clark Griffith of the Washington Americans today received notice from President Johnson, notifying him of the indefinite suspension of Catcher Eddie Ainsmith because of the latter's conduct in yesterday's game, when he hurled a handful of dirt at Umpire O'Loughlin after being called out on a close play.

SPORTING NOTES.

Pat Moore of Omaha has been matched with Patsy Drouillard, the Canadian lightweight, for a bout at Windsor on next Saturday.

Philadelphia, Pa., June 4.—Frankie Bradley of Southwark defeated Eddie Doyle of Philadelphia in an uninteresting six-round bout at the Olympia A. A. last night.

Poughkeepsie, N. Y., June 4.—The Columbia crews, the first of the college oarsmen to reach their training camps on the Hudson, arrived yesterday and went direct to their new quarters at Clearwaters landing.

New Orleans, La., June 4.—Eddie Clabby of Hammond, Ind., put up a game fight Monday night against Young Denny of New Orleans, but the local boy bested him easily, experience and reach being too great odds for the sturdy welterweight brother of Jimmy Clabby.

Baltimore, Md., June 4.—Directors of the Maryland Jockey club, which recently concluded a race meet at Pimlico, yesterday ordered that \$10,000 be expended for poor persons suffering from tuberculosis. The babies' milk fund and the fresh air fund each received \$1,000.

SOX OF RED DOWN ROSE OF WHITE IN OPENING CLASH, 3-2

Single by Speaker, Sacrifice and Swat by Wagner Give Final Run.

Boston, Mass., June 4.—Chicago's White Sox began their first 1913 eastern invasion yesterday with a defeat and without the star first baseman, Hal Chase, for whom Manager Callahan traded considerably more than a mass of potage.

The world's champion Red Sox trimmed the paler hose, 3 to 2, in a game of wasted opportunities, and President Farrell of the Yankees telephoned the Chicago pilot that Chase was detained in New York by pressing business engagements.

Consequently Fournier retained his job as a first baseman and also was responsible for the White Sox being in the battle at all. Jack's three-base smash against the center field fence in the fifth inning blazed the trail to the two runs the White Sox scored then by a succession of three hard bumps. That was all the runs they made all day, although they had plenty chances. For lack of a bunt or the telling punch in a pinch they missed out everywhere else.

Tex Russell was hit no harder by the home fellows than Ray Collins was by the visitors and the boots were even, but Tex lacked some of the control for which he has been famous and the Red Sox made better use of some of their opportunities than the other boys could.

CUBS ON OWN LOT FACE FIRST CLASH WITH EAST TODAY

Trojans Open Battle in Defense of West Side Citadel Against Boston.

Chicago's Cubs will begin this afternoon a defense of the west side citadel against the four armies of eastern invaders who are making their first incursion of the season into western territory. George Stallings' Bunker Hill fellows from Boston will oppose the Trojans in the first of a four-game engagement.

Besides seeking to better their own standing in the pennant race the Cubs are likely to find themselves battling for a place in the first division as well, for the Pirates by their victory over the Braves yesterday moved into a tie with the Cubs for fourth position.

Because of some recent happenings in Pittsburgh, which are too painful to be brought up again in detail, the Cubs have a wholesome respect for the Pirates, who seem at last to have let some of their poor playing ooze out of their systems, although yet far from the Pirates which were acclaimed as pennant winners by many critics at the start of the season.

GIANTS BUY ED GRANT.

Cincinnati, O., June 4.—Third Baseman Edward Grant was sold today to the New York Nationals for \$3,500 by Manager Joe Tinker. No other players are involved. Grant will join the New York team in St. Louis at once. Grant was secured from Philadelphia in 1910 in a deal in which four players of each team were involved.

GOLFERS LEAVE TO-MORROW ON TRIP TO COAST

Western Champion Evans to Lead Team in Swing Around Half of U. S.

Final arrangements have been completed for the Pacific coast invasion of the Western Golf association team, which will be composed of a number of the most expert amateur golfers in the middle western district. Western Champion Charles Evans Jr., who will act as captain of the team, yesterday announced the names of the players who will compose the squad. With the exception of Howard Lee of Detroit, Phil Stanton of Grand Rapids and Harry Legg of Minneapolis the team will be composed of Chicago players, including Jarred K. Wood of Homewood, D. E. Sawyer of Wheaton, Carl Fovol of Riverside and Frazier Hale of Skokie.

The players will leave tomorrow night, and the itinerary will include a number of stops en route. The first will be at Minneapolis, where the tourists will play over the Minnikahda club in the morning and in the afternoon they will be entertained by the St. Paul club.

On Sunday the players will stop over at Butte, Mont., and on Monday they will visit Spokane. Tuesday the golfers will visit the club at Victoria, B. C., and on Wednesday, Thursday and Friday of next week the team will play over courses at Seattle. On June 14, 15 and 16 the visitors will be entertained by the Tacoma clubs. Portland, Ore., will be visited on June 17, 18 and 19.

On the return trip the party will stop at Salt Lake City, where they will play on June 21 and 22. Colorado Springs will be visited on June 24, and the last stop before proceeding to Chicago will be at Kansas City on June 26 and 27.

ANCIENT ONES SEEK M'CARTY'S CROWN

Jack "Twin" Sullivan Joins Fitzsimmons in Defying White Hopes.

San Francisco, Cal., June 4.—With the passing of ill-fated Luther McCarty, the white heavyweight championship seems to have been thrown on the market. At least that is the way the matter is viewed by white hopes generally, judging from the number of claims to the title that are being made. Arthur Pelky says he is the champion, but that he will not defend his laurels for some time. Gunboat Smith has also named himself as the successor of McCarty, and there are others. There is a rumor, not thoroughly substantiated, that old Bob Fitzsimmons intends to hop back in the lists and make a bid for the championship. Incidentally, there are quite a number who believe that Bob, even with his handicap of years, could take good care of any of the heavyweights of the present day.

Jack (Twin) Sullivan, who, while an old-timer, is not by any means an ancient piece of architecture as Fitz, has also put in a claim. In a letter to the writer Jack says: "I want to let

A call for the protection of game fish that inhabit the streams and rivers of Illinois has been sent forth by the Illinois Fish Conservation society, which met at the Hotel Sherman to take action towards securing the passage of its bill in the state legislature protecting the state fisheries and streams.

New York, June 4.—It appeared probable today that the Australian team would be reduced to S. N. Doust and Horace Rice for the Davis cup international lawn tennis matches, which begin on Friday. A. B. Jones, the third member, still is ill and again was unable to get out for practice on the west side club courts. Capt. Doust said that Jones might not be played.

Why Snow is Warm.
Snow is warm by virtue of its light and woolly texture. But it is also warm on account of its whiteness. Had snow been black it would have absorbed the heat of the sun and melted quickly. Instead, it reflects heat, and the reflected heat falls upon bodies above the snow, while the warmth of the earth is preserved beneath it.
